

The text below is about the account payable process. It begins when you send to the vendor accounting department.

Once sending to the vendor accounting department occurs, creating a receiving report should be done.

Once creating a receiving report occurs, one or more of the following paths should be executed: confirming all documents have been amended, reporting errors to relevant team member.

After confirming all documents have been amended, doubling check a three-way match should be done.

Afterwards, checking dates to avoid penalty charges needs to be done.

The process is now completed.
