

The following description is about the account payable process. It begins when you send to the senior accountant in your department.

When sending to the senior accountant in your department is completed, creating a receiving report needs to be done.

After creating a receiving report, one or more of the following paths should be executed: gathering the receiving report, doubling check a three-way match.

Once gathering the receiving report occurs, one or more of the following paths should be executed: gathering the vendors invoice, reporting errors to relevant team member.

When reporting errors to relevant team member is completed, you need to confirm all documents have been amended.

After that, the next tasks should be creating voucher for the documents and storing in paid invoice file, they should be done in parallel.

The process is now completed.
