

The following text is about the account payable process. It begins when you enter purchase order details.

After entering purchase order details, creating a receiving report needs to be done.

After creating a receiving report, you need to confirm all documents have been amended.

When confirming all documents have been amended is completed, the process is split into 2 parallel branches: entering the invoice into the accounts payable account and storing in paid invoice file.

When entering the invoice into the accounts payable account is completed, stamping all documents needs to be done.

The process is now completed.
