

The following text is about the account payable process. It starts with sending to the senior accountant in your department.

Once sending to the senior accountant in your department occurs, creating a receiving report should be done.

When creating a receiving report is completed, reporting errors to relevant team member needs to be done.

Once reporting errors to relevant team member occurs, one or more of the following paths should be executed: stamping all documents, checking dates to avoid penalty charges.

The process is now completed.
