

The following text is about the account payable process. It begins when you send to the senior accountant in your department.

After sending to the senior accountant in your department, creating a receiving report should be done.

After creating a receiving report, the next tasks should be doubling check a three-way match and reporting errors to relevant team member, they should be done in parallel.

When reporting errors to relevant team member is completed, one or more of the following paths should be executed: confirming all documents have been amended, gathering the vendors invoice, gathering the receiving report.

Once all pre-tasks are executed, then one or more of the following paths should be executed: creating voucher for the documents, entering the invoice into the accounts payable account.

The process is now completed.
