

The following text is about the account payable process. It starts with filing a copy for internal records.

Once filing a copy for internal records occurs, you need to create a receiving report.

When creating a receiving report is completed, one or more of the following paths should be executed: confirming all documents have been amended, doubling check a three-way match, gathering the receiving report.

After doubling check a three-way match, reporting errors to relevant team member should be done.

Then, one or more of the following paths should be executed: creating voucher for the documents, stamping all documents.

The process is now completed.
