

The text below is about the account payable process. It begins when you file a copy for internal records.

After filing a copy for internal records, creating a receiving report needs to be done.

Once creating a receiving report occurs, the next tasks should be doubling check a three-way match and confirming all documents have been amended, they should be done in parallel.

Once all pre-tasks are executed, then you need to enter the invoice into the accounts payable account.

The process is now completed.
