

The following text is about the account payable process. It begins when you send to the senior accountant in your department.

When sending to the senior accountant in your department is completed, you need to create a receiving report.

Once creating a receiving report occurs, one or more of the following paths should be executed: gathering the receiving report, doubling check a three-way match.

Once doubling check a three-way match occurs, one or more of the following paths should be executed: gathering the vendors invoice, confirming all documents have been amended, reporting errors to relevant team member.

Then, the next tasks should be stamping all documents, scheduling the payment and entering the invoice into the accounts payable account, they should be done in parallel.

The process is now completed.
