

The following description is about the account payable process. It begins when you send to the receiving department.

After sending to the receiving department, creating a receiving report should be done.

After creating a receiving report, doubling check a three-way match needs to be done.

When doubling check a three-way match is completed, the process is split into 3 parallel branches: creating voucher for the documents, storing in paid invoice file and entering the invoice into the accounts payable account.

The process is now completed.
