

The text below is about the account payable process. It starts with sending to the senior accountant in your department.

When sending to the senior accountant in your department is completed, creating a receiving report should be done.

When creating a receiving report is completed, gathering the vendors invoice should be done.

When gathering the vendors invoice is completed, the next tasks should be stamping all documents and entering the invoice into the accounts payable account, they should be done in parallel.

When stamping all documents is completed, one or more of the following paths should be executed: checking dates to avoid penalty charges, scheduling the payment.

The process is now completed.
