

The following description is about the account payable process. It starts with sending to the receiving department.

Once sending to the receiving department occurs, creating a receiving report should be done.

Once creating a receiving report occurs, confirming all documents have been amended should be done.

When confirming all documents have been amended is completed, one or more of the following paths should be executed: creating voucher for the documents, checking dates to avoid penalty charges.

After checking dates to avoid penalty charges, entering the invoice into the accounts payable account needs to be done.

The process is now completed.
