

The following text is about the account payable process. It begins when you send to the senior accountant in your department.

When sending to the senior accountant in your department is completed, creating a receiving report should be done.

Once creating a receiving report occurs, the process is split into 2 parallel branches: gathering the receiving report and doubling check a three-way match.

Once all pre-tasks are executed, then the next tasks should be stamping all documents, scheduling the payment and creating voucher for the documents, they should be done in parallel.

Once scheduling the payment occurs, entering the invoice into the accounts payable account needs to be done.

The process is now completed.
