

The following text is about the payment of your account. It starts with sending to the senior accountant in your department.

Once a report reaches the Senior Accountant in your department, it should be completed creating a receipt report.

When the creation of a receiving report is completed, reporting errors to the team member must be done.

Once reporting an error to the relevant member of the team should be executed: stamping all documents, checking the date to avoid penalties.

The process is now completed.
