

The following description is about the account payable process and starts with sending the senior accountant in your department.

After delivering a deposit to a senior accountant in your department, you should create a receiving report.

After creating a receipt report, one or more of the following paths should be executed: Double Check a three-way match, collecting the receiving report.

When a three-way match is completed on a doubling check, one or more of the following paths should be executed : gathering the vendors invoice and confirming that all documents have been modified.

After that, scheduling must be completed the payment.

The process is now completed.
