

The text below is about the account payable process which begins when you send the senior accountant in your department.

After sending to the senior accountant in your department, a receiving report should be done.

When a receiving report is completed, the vendor invoice collection should be done.

Once the collection of vendor invoice occurs, one or more of the following paths should be executed: recording the payment, storing it in the paid invoice file, creating the voucher for documents

The process has now been completed.
